

A note from the principal

Happy New Year! I hope everyone had a relaxing holiday season and are ready to take on 2023!

December was a busy month with lots of great things happening - turkey dinner, skating, holiday concerts, movie night and spirit days to name a few.

As we transition from snowy weather to warmer weather and back to snow, our school playground continues to be wet and muddy. It's a good idea to pack an extra change of clothes just in case of any accidents.

We look forward to a productive end to term 1 with great learning taking place.

Please reach out at any time should a question or concern arise.

Sincerely,
 Mrs. Tolton

Congratulations to our December Students of the Month.
